Agenda:

- 1. Introductions
- 2. Review of past Meeting Minutes
 - a. Motion to approve last meeting minutes
 - i. Motion approved
- 3. Traffic Records Forum Report (Participants)
 - a. Rahim working on putting all of the reports together on the 40+/- sessions available (when finalized, will put on website). Highlights: E-Reporting, Data Sharing, etc.
 - b. Paul M Eye opening. E-Citations and reporting, data collaboration and sharing.
 - c. Jan (CDPHE) Data Integration (from different systems/databases)
 - d. David B E-Reporting, Data Warehouse and Data Sharing
 - i. Colorado is good, but other states are catching up and working on their reporting systems
 - e. Dahir How are the other states?
 - i. David B some states are 99-100% electronic, most are working towards 100%
 - ii. Rahim Colorado will soon be 70-75%
 - iii. Charles M will send out the survey of other states (attached)
 - f. Cheri Data Collaborating (Utah), DOR has to publish summary accident data; will use the Problem ID is on CDOT website, written by Jan (CDPHE)
 - g. Next Traffic Records Forum (40th Annual) October 26-29th, 2014, in Saint Louis (flyer attached)

- 4. Xerox Presentation Melissa Hart (presentation is available for interested parties- Contact Melissa)
 - a. Data Sharing/Collaboration system that is prototype stages. Mainly geared for crime, but can add in crashes. This system would be ready in approximately 3 years. Can support e-citations as well.
 - b. Ultimate goal is to have a searchable database in one place for criminal history. Reports include: trends, diagnostic, predictive, real time data sharing.
 - i. Reports can also show speeds, call and response time, etc.
 - c. Who is the customer today?
 - i. Melissa no one yet, still in stages of trying to get multiple agencies to buy into this
 - 1. CBI, CDAC, Courts, District Task Force, Law Enforcement Agencies, SIPA, etc.
 - d. Catherine State Internet Portal Authority (SIPA)
 - i. SIPA (Statewide Internet Portal Authority) was created in 2004, is not under OIT, and operates as a procurement arm to ease purchasing systems. SIPA does not use state or federal funds and maintains the Colorado.gov website. 240 Agencies (municipalities, schools, etc.) use SIPA. Their sales force sells services, not devices. They are cloud based, Customer Relations Management Tool, requiring a license fee. All agencies sign a MOU.
- 5. Steve Hooper Retirement, end of this week (plaque is ordered).
 - a. Welcome Ted Trujillo! His background is in Community safety, child welfare. DOR is lucky to get cross-over training.
 - b. Barry wished Steve the best he did more to move TR along than anyone.
- MADD gave an award to Glenn Davis: The Colorado State Patrol Colonel's Award of Excellence!
- 7. 405C Project status; available funding and new project solicitation, focus on priorities. (Rahim)
 - a. All projects that were approved are working, started October, 2013
 - i. E-Reporting with Aurora and Denver Both started
 - 1. Aurora PD (6% of all crashes) working
 - 2. Denver PD (17% of all crashes) working
 - 3. By Sept., 2014 should be about 23% additional electronic reports to existing 30%
 - ii. Cheri Justine is managing the incoming electronic reports
 - b. 2014 Funding Colorado Springs (8% of all crashes), Greenwood Village (1.6% of all crashes)
 - i. We will be about 65% electronic reporting with Denver, Aurora, Colorado Springs, and Greenwood Village
 - c. Douglas County is working with New World and hoping to "piggy-back" with Colorado Springs
 - d. Current Year Funding:
 - i. Aurora PD:
 - 1. Jeff System should work, has been tested. Ready to go, after January 1st, 2014
 - E-Citations (mainly for the motorcycle officers) working and ready to launch by mid-summer 2014
 - ii. CDPH Just started
 - iii. Castle Rock Just started
 - e. "Close-Out" for 2012-2013
 - i. Barry needs a paragraph of each project
 - 1. Rahim sent already to Leslie –sent to Barry (12/13) as well.
 - a. Leslie hasn't seen it send again
 - f. There are three projects on hold:
 - i. CDOT/EARS integration was approved by STRAC and sent to NHSTA
 - 1. Waiting on Go-Team's report (next meeting)
 - ii. Off-System Geo-Coding sent to FHWA
 - 1. Geo-coding: will provide Lat. /Long. Coordinates for Off-System records for previous 5 years and give us the software for future geo-coding
 - a. Is this a permanent solution? Yes
 - b. Dahir is this the same as coding? No, only providing Lat. /Long. Coordinates for Off-System
 - c. Steve Hooper is this for individual records or entire files? For entire files as an "autocode" of Lat. /Long. only
 - 2. CDOT to give Location 1 & 2, Link, and City/County
 - a. Going forward, will be able to use the software on future records

- b. \$60K was estimate from one vendor, but vendor not selected, yet.
 - i. Cheri for late projects/submissions: set up conference call for Q/A session with the STRAC Members. Questions: Who is the vendor? How are they going to accomplish this? How is this going to make Traffic Records better to the state? Is this a onetime fix or will it be sustained? Rahim will do
- c. <u>Transfer from FoxPro to Oracle Environment:</u> this project is to help CDOT with analysis switch over from FoxPro to Oracle
- d. Feb 2015 support for Fox Pro will stop, need to phase over to Oracle within that time.
- e. Charles M this will keep the future coding the same, but stable.
- 3. Dahir need to look at the bigger picture will this be a temporary fix?
- iii. Rahim no, this is a permanent fix. We will always have the databases Oracle is the standard, which DOR uses.
- iv. Cheri wants to see what Go-Team wants to do with EARS & Driver's License system first
- v. Barry should we table this or jump on it now?
- vi. Steve Hooper is everything through FoxPro?
 - 1. Rahim it goes from Oracle (DOR) to FoxPro (CDOT), this project would allow the data to remain in Oracle and not have to do the extra work to convert and upload to FoxPro (efficiency)
- vii. Dahir FoxPro is gone in one year is this long enough for us to build our vision (data sharing, collaboration, etc.)?
 - 1. Charles M not enough time
- viii. Leslie One database for all of Colorado (sanitized)
- ix. Go-Team to present at the next meeting (2 hours), will also go over projects
- x. TENTITAVE: Next meeting January 29th 2014 starting at 9AM for the Go-Team and projects relating to the Go-Team (Note: meeting postponed to *3/6 at 10 AM -CSP, Golden STRAC voting members only)
- 8. Strategic Plan/Vision for Statewide Crash Data (Charles Meyer)
 - May want to hire expert to sort out issues for statewide database. Management Review, Traffic Records
 Assessment
 - i. Strategic what are the needs? What resources are needed?
 - ii. Tactically year 1, year 2, steps to take
 - iii. Statewide database at DOR to CDOT???
 - b. Steve Hooper Virtual Data Warehouse Study: best approach for a center?
 - i. Last time we didn't have a good scope of work
 - 1. Need a data dictionary for every field, from each department
 - 2. Extensive report
 - ii. Steve Hooper (opinion) CDOT should be the vendor of data
 - c. E-Citations We need to know what the original charge was not what was plea-bargained down too
 - i. Challenge getting the signatures, technology getting to Judicial through the counties and rural areas.
 - d. Barry purposes small committee as champions (from DOR/CDOT/Public Health/Judicial) and brings back to STRAC. Go-Teams report would help
 - i. MOTION: Sub Committee to look at and plan for Statewide Traffic Data Base. Report back to STRAC Motion passed
 - 1. Volunteers to Champion this? Charles Meyer CDOT to lead
 - a. Cheri? No, will talk to Ted to figure something out. Thinks CDOT should lead this.
 - 2. Meeting on Jan 29th *March 6th- Who is going to be in the committee, what is going to be the plan
 - a. Volunteers: Glenn Davis, Jan Hart, Cheri Urda, Tracy Walter (Judicial)
 - e. Barry good directions and a good start
- 9. 2015 Traffic Records Assessment (Pre-assessment Questionnaires, MOU, and Strategic Plan) (Rahim)
 - a. Rahim submitted request to start.
 - i. Leslie gave dates for scheduling: Start in March 2015 finish in July 2015
 - b. The assessment is all electronic now done in three phases
 - i. Leslie recommends that we start end of January or beginning of February 2015, will be done by May for the Strategic Plan afterwards
 - ii. Leslie also recommends that everyone starts on the questions (390+ questions) before. Questions are located on the website, but could also send them out (attached).

- c. Barry MOTION Get questions ASAP and start working on them. Could help with 2014 Plan.
 - i. Motion approved
 - 1. Leslie will send the questions to Barry will bring to next STRAC (Jan 29th *March 6th)
 - 2. Rahim will be the Project Manager (point of contact), Barry will be the Project Manager's Goal Champion
- d. David B Assessment has less questions and more time to finish (12 months for initial submittal, then, 3 months for additional questions)
- e. Rahim MOU is a year old any changes in the executive levels?
 - i. Yes, we will need to update, CDPHE, only (Note: done -12/20).
- 10. STRAC Annual Report Where our focus will be for next year (Barry)
 - a. STRAC Annual report is due by end of January 2014.
 - i. List projects funding by 405C
 - b. David B calendar year report? We have report to March, 2013.
 - i. Barry yes, makes sense just going to directors
 - c. Ted the last one went from June to June, this one will be extended
 - d. Barry we don't need to add in the minutes, just the summary
 - e. Dahir is there rules in the Bylaws?
 - i. Barry nothing for STRAC Annual Report
- 11. Go-Team Draft Report (results from TSASS) (Cheri)
 - a. We don't have it yet will have it for next meeting January 29^{th*} March 6th
- 12. Pilot project to develop Higher Education partnership (Cheri)
 - a. Partnership with higher education (Metro)
 - i. Data will be available to anyone in the state
 - ii. Traffic Records Forum talked about partnering with Higher Ed was best
 - b. Charles M will start with his sub-committee to get ideas and add in higher education
 - i. Higher Ed is usually cost effective
 - c. Cheri has a couple contacts with Metro
 - d. Leslie several states uses higher Education: Louisiana, Alabama, Mississippi, Maryland
- 13. DR2447 Form Update/MMUCC Compliance
 - a. Rahim's "wish list" adding in a check box for secondary accidents
 - b. Charles Meyer trying to keep the structure the same
 - c. Barry will bring up in late spring?
 - d. Cheri tweaking the form, would everyone (all agencies) have to tweak? Yes
 - e. Paul Traffic Records Conference, 1 day conference, early next year with other agencies involved, would be a good time to bring up re-vamping the DR2447 due to more players and to get opinions.
 - f. Jeff What can we remove/replace? Just to change or remove one field/box, would be a huge effort for all agencies
 - g. Glenn Davis could we use ISP funding? Leslie Yes
- 14. 2014 Meeting Dates:
 - a. Tentative January 29th *March 6th CSP (Camp George West) Go Team presentation (approx. 2 hours) and Subcommittee
 - i. The Go-Team will be unavailable for the January 29th meeting, rescheduled for March 6th at 10:00, Camp George West STRAC voting members only
 - b. March 20th CDOT –Review Grant submissions
