Statewide Transit Plan Update

County Meetings - Overview

- Combined effort with DTD on their Statewide Transportation Plan
- High-level discussion with County Commissioners on the existing conditions and transportation needs in their county.
- Topics include: county overview, safety, economy, mobility and transit, multimodal, asset management and major projects
- Began in late April
- Completed: 46 counties to date
- Continue County meetings until we've gone to all 64 counties

Statewide Transit Plan Update

County Meetings - Transit Section

- Transit dependent stats: percentage of low-income, persons with disabilities and no access to vehicles
- Local public transit routes/service areas
- Human service transportation agencies
- Bustang/Outrider routes and stops
- Amtrak routes and stops
- List of Transit Development Program projects.
- Questions – Is there a need for additional service or facilities; what are there gaps in service?

Statewide Transit Plan Update

This summer we will:

- Provide a regional corridor matrix that highlights key findings for each corridor
- Ask you to complete a customized MetroQuest survey (for members and stakeholders only) to share your perspective on:
 - Strategies for addressing TPR needs
 - Corridor-specific goals
 - Plan focus areas (e.g., smart mobility, public health, freight)
- Compile findings and use to draft the Regional Corridors chapter
