

**Plan Goal**: Bring planning efforts together in order to develop a 10-year strategic pipeline of projects, inclusive of all modes, informed both by a data-driven needs assessment and public and stakeholder input.

10-Year Pipeline of Projects

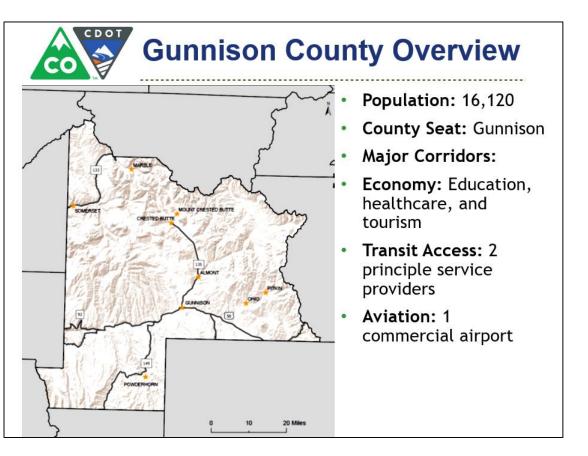

#### **County Meetings - Overview**

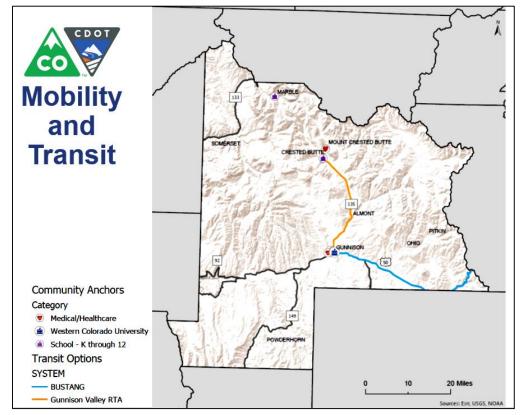

- Combined effort with DTD on their Statewide Transportation Plan
- High-level discussion with County Commissioners on the existing conditions and transportation needs in their county.
- Topics include: county overview, safety, economy, mobility and transit, multimodal, asset management and major projects
- Began in late April
- Completed: Kiowa, Prowers, Gunnison, Mesa, Crowley, Otero, Montrose
- Continue County meetings until we've gone to all 64 counties

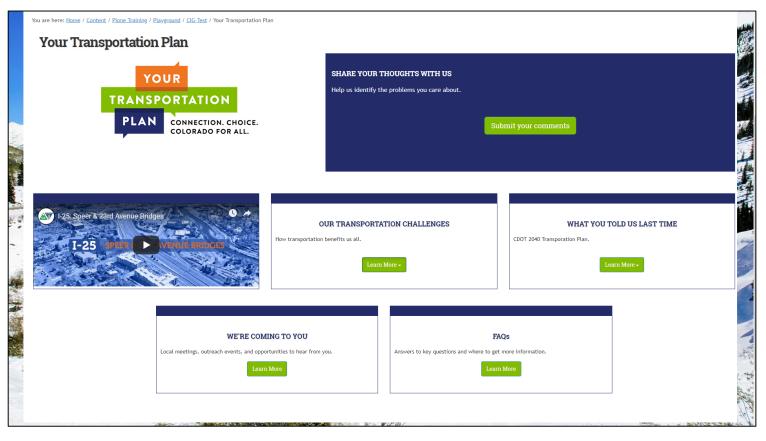

#### **County Meetings - Transit Section**

- Transit dependent stats: percentage of lowincome, persons with disabilities and no access to vehicles
- Local public transit routes/service areas
- Human service transportation agencies
- Bustang/Outrider routes and stops
- Amtrak routes and stops
- List of Transit Development Program projects.
- Questions Is there a need for additional service or facilities; what are there gaps in service?
