Mike Timlin, Interim Director
RE: Bustang Micro-Transit Plan Workshop

Purpose

The purpose of this memo is to present the Transportation Commission with the proposed Bustang I-70 Mountain Corridor Micro-Transit Plan.

Action

We seek your input at the Commission Workshop in March, and will request approval to implement the plan at the April 2021 Commission meeting. The White Paper describing the I-70 Mountain Corridor Micro-transit Plan is attached at the end of this memo.

Background

The Bustang Interregional Express Bus Service went into operation in July 2015. The Bustang West Line's primary purpose in 2015 was to provide residents along the I-70 Mountain corridor safe, economic, and reliable alternative transportation. If adopted, the Bustang Micro-Transit Plan begins the process of attacking and mitigating both traffic on the I-70 Mountain Corridor and Green House Gas emissions.

Details

The attached I-70 Mountain Corridor Micro-Transit White Paper discusses the plan in detail.

Next Steps

- Request Approval at April Transportation Commission.
