

Resolution # TC-17-3-23

Updated Policy Directive 1604.0 "Construction Public Notification Policy"

Approved by the Transportation Commission on March 16, 2017.

WHEREAS, under § 43-1-106(8), C.R.S., the Transportation Commission of Colorado has the statutory responsibility to set policies for the Colorado Department of Transportation ("CDOT"); and

WHEREAS, the Commission is required under § 43-1-106(9.5), C.R.S., to promulgate and issue policies based upon the Policy Directive 1604.0, issued on November 18, 1999, or any subsequent policy directive as amended or revised requiring the department to notify and disseminate information regarding transportation construction projects to the public and to residential neighborhoods and businesses that may be affected by transportation construction projects; and

WHEREAS, Policy Directive 1604.0 has been updated to require the Department to establish notification procedures that comply with the requirements set forth in § 43-1-106(9.5), C.R.S.; and

WHEREAS, updated Policy Directive 1604.0 remains in compliance with § 43-1-106(9.5), C.R.S.

NOW THEREFORE BE IT RESOLVED, the Commission herein adopts updated Policy Directive 1604.0 "Construction Public Notification Policy."

Herman Stockinger, Secretary
Transportation Commission of Colorado
