Instructing the Colorado Department of Transportation to modify the project list approved via Resolution #19-11-7 allocating revenue received through Senate Bill 17-267, SB 18-001, and SB 19-262.

**Approved by the Transportation Commission on January 16, 2020.**

**WHEREAS**, the Colorado Transportation Commission approved Resolution #19-11-7 on November 21, 2019; and

**WHEREAS**, Resolution #19-11-7 approved the allocation of funds resulting from Senate Bill 17-267, Senate Bill 18-001, Senate Bill 19-262, and other sources at the direction of the Colorado Transportation Commission, to \$1.59 billion in priority transportation projects for funding in Fiscal Year (FY) 2020 through FY 2022; and

**WHEREAS**, it is within the authority of the Colorado Transportation Commission to modify this project list; and

**WHEREAS**, CDOT Region 4 has requested to reallocate \$88.8 million in state funds of the \$250 million allocated, approved via Resolution #19-11-7 in November, 2019, from the I-25 North Segments 7 and 8 project to the I-25 Segments 5 and 6 project; and

**WHEREAS**, the transfer and reallocation of funds will ensure that the I-25 North Segments 5 and 6 project maintains necessary levels of state-only funds required of the successful award of a federal BUILD grant; and

**WHEREAS**, the reduction in allocation to I-25 North Segments 7 and 8 will be offset by the transfer of Transportation Commission Program Reserve Funds from the I-25 North Segments 5 and 6 project to the I-25 North Segments 7 and 8 project; and

**WHEREAS**, CDOT Region 4 has requested to reallocate an additional \$6.97 million in state funds of the \$250 million allocated, approved via Resolution #19-11-7 in November, 2019, from the I-25 North Segments 7 and 8 project to the I-25 Segments 5 and 6 project; and

**WHEREAS**, the reallocation of funds will support work on the SH 56 interchange on the I-25 North Segment 5 and 6 project; and

**WHEREAS**, the reduction in allocation to I-25 North Segments 7 and 8 will be offset by the receipt of additional TIGER grant funds; and

**NOW THEREFORE BE IT RESOLVED**, the Colorado Transportation Commission approves the following modifications to the list of transportation projects approved in November, 2019 via Resolution #19-11-7:

**Region 4**

- I-25 North: Segment 7 & 8 - Express Lanes on permanent EIS alignment (CO 402 to CO 14) - ~~\$250,000,000~~ \$154,230,000

- I-25 North: Segment 5 & 6: BUILD Grant Funding Commitment Express Lanes on permanent EIS alignment (CO 56 to CO 402) - ~~\$20,000,000~~ \$115,770,000

**NOW THEREFORE BE IT FURTHER RESOLVED**, the Colorado Transportation Commission reaffirms its commitment of \$250 million to the I-25 North Segment 7 and 8 project and recognizes that while this resolution modifies the composition of funding, the total funding approved for I-25 North Segments 7 and 8 remains unchanged.
