

Resolution #TC20-01-09

Adopt Proposed Changes to the Rules Regarding Travel Restrictions On State Highways, 2 CCR 601-14.

Approved by the Transportation Commission on January 16, 2020

WHEREAS, § 42-4-106(5)(b), C.R.S., authorizes the Transportation Commission of Colorado (“Commission”) to adopt rules that implement § 42-4-106(5), C.R.S.; and

WHEREAS, § 42-4-106(5), C.R.S., provides guidance on the Department's authority to restrict travel for the protection and safety of the traveling public, including the ability to require traction devices, tire chains, and adequate tires when dangerous driving conditions exist; and

WHEREAS, the existing emergency rules were adopted in November 2019 after inconsistencies were discovered in how the rules were interpreted and enforced; and

WHEREAS, on November 21, 2019, by Commission Resolution No. TC-19-11-13, the Commission authorized the Department to open 2 CCR 601-14; and

WHEREAS, on January 14, 2020, a CDOT Hearing Officer held a public hearing to receive public comment on the proposed changes to the rules; and

WHEREAS, the Hearing Officer recommends to the Commission that the rules be adopted.

NOW THEREFORE BE IT RESOLVED, after review and consideration of the proposed changes to the rules, the Commission adopts the proposed changes to the Rules Regarding Travel Restrictions On State Highways, 2 CCR 601-14.
