

**Resolution # TC-20-03-06**

Authorizing CDOT to execute Intergovernmental Contracts, Amendments, and Option Letters over \$750,000 of the projects specified below.

**Approved by the Transportation Commission on March 19, 2020.**

**WHEREAS**, pursuant to Colorado law at Section 43-1-110(4), C.R.S. the executive director or the chief engineer shall represent the department in negotiations with local governmental entities concerning intergovernmental agreements (IGAs) between the department and local governmental entities to implement the provisions of this article. No IGAs involving more than \$750,000 shall become effective without the approval of the commission.

**WHEREAS**, CDOT seeks to have the commission approve IGAs contracts identified in the attached IGA Approved Projects list each of which are IGAs greater than \$750,000.

**WHEREAS**, CDOT seeks to have this approval extend to all contributing agencies, all contracts, amendments and option letters that stem from the original project; and

**WHEREAS**, the Transportation Commission acknowledges that it has reviewed the IGA summary in the consent packet, which included all information necessary; and

**WHEREAS** the Transportation Commission has determined that the projects will serve the public interest and/or convenience of the traveling public and that the approval of the projects described in the report will serve the purpose(s) of the project; and

**NOW THEREFORE BE IT RESOLVED**, the Transportation Commission hereby declares that the public interest and/or convenience will be served by approving the contracts identified in the attached IGA Approved Projects list and CDOT is authorized to execute all documents necessary to further these projects.

In order to be compliant with C.R.S. §43-1-110(4) starting with the March 2020 commission meeting, projects will be presented on the consent agenda and will allow for execution of the IGAs and any contributing agencies, follow on contracts, option letters and amendments
