Approved by the Transportation Commission on April 15, 2021.

WHEREAS, the Transportation Commission is authorized pursuant to Section 43-1-106(8), C.R.S. to formulate the general policy with respect to management, construction and maintenance of public highways and other transportation systems in the state and to promulgate and adopt all budgets of CDOT; and

WHEREAS, pursuant to Colorado law at Section 43-1-208, C.R.S., the Colorado General Assembly has conferred the power of eminent domain upon the Transportation Commission to acquire private property necessary for state highways purposes; and

WHEREAS, on September 26, 2016 the Colorado Supreme Court announced its decision in *Department of Transportation v. Amerco Real Estate Company; U-Haul Company of Colorado; et al.*, 2016SA75; and

WHEREAS, the *Amerco Real Estate Company* opinion held that the Transportation Commission must decide that the public interest or convenience will be served by a proposed alteration of a state highway and that the Commission's decision must be made in consideration of the portions of land of each landowner to be taken and an estimate of the damages and benefits accruing to each landowner prior to authorizing condemnation of property; and

WHEREAS, the *Amerco Real Estate Company* opinion also held that the Transportation Commission is authorized to either direct the Chief Engineer to make tender to a landowner or the Transportation Commission can proceed in the acquisition of private lands for state highway purposes, according to articles 1 to 7 of title 38, C.R.S., without tender to the landowner; and

WHEREAS, the *Amerco Real Estate* opinion further held that the Transportation Commission could delegate to the "legal staff or representatives of the commission or department" the "initiation and conduct of condemnation proceedings." *Amerco Real Estate Company*, 2016SA75, ¶15; and

WHEREAS, on July 18, 2019, the Transportation Commission entered resolution TC-19-07-03 upon its minutes for I-25 Express Lanes SH 7 to SH 1 Project, Project Number NHPP 0253-270, Project Code 22831; and

WHEREAS, the Resolution determined that the public interest or convenience will be served by the proposed alterations to Interstate 25, approved acquisition of properties needed for the proposed alterations, approved the Chief Engineer's estimate of value,

damages and benefits, if any, accruing to each landowner, and authorized the CDOT Chief Engineer and CDOT staff to negotiate with landowners; and

WHEREAS, pursuant to the Resolution(s) CDOT attempted to negotiate with the landowner(s), but negotiations with the landowner(s) were unsuccessful; and

WHEREAS, the Properties sought by CDOT may include buildings, structures, or other improvements on the real Properties and may also include tenant-owned improvements, personal property, and other real estate; and

WHEREAS, CDOT does not have possession of the Property/Properties and CDOT's inability to work on the Property will likely cause delay to the I-25 Express Lanes SH7 to SH1 Project, Project Number NHPP 0253-270, Project Code 22831; possibly resulting in significant monetary harm to CDOT; and

WHEREAS, the Transportation Commission acknowledges that it or its predecessors previously reviewed the written report of the Chief Engineer seeking approval to negotiate with landowner(s) and has also reviewed the written report of the Chief Engineer seeking approval to initiate and conduct condemnation proceedings, and both reports included all information and documents required pursuant to Section 43-1-208(1), in relation to the Project and the Properties; and
