**WHEREAS**, the *Amerco Real Estate Company* opinion also held that the Transportation Commission is authorized to either direct the Chief Engineer to make tender to a landowner or the Transportation Commission can proceed in the acquisition of private lands for state highway purposes, according to articles 1 to 7 of title 38, C.R.S., without tender to the landowner; and

**WHEREAS**, the *Amerco Real Estate* opinion further held that the Transportation Commission could delegate to the “legal staff or representatives of the commission or department” the “initiation and conduct of condemnation proceedings.” *Amerco Real Estate Company*, 2016SA75, ¶15; and

**WHEREAS**, pursuant to Colorado law at Section 43-1-208, C.R.S., the authorization of right of way plans by the Chief Engineer allowed CDOT to acquire land necessary for the Project by purchase, exchange or negotiations with landowners; and

**WHEREAS**, CDOT attempted to negotiate with the landowners, but the attempts to negotiate with the landowners were unsuccessful; and

**WHEREAS**, the Properties sought by CDOT may include buildings, structures, or other improvements on the real Properties and may also include tenant-owned improvements, personal property, and other real estate; and

**WHEREAS**, CDOT does not have possession of the Properties and CDOT's inability to work on the Properties will likely cause delay to the Project, possibly resulting in significant monetary harm to CDOT; and

**WHEREAS**, the Transportation Commission acknowledges that it has reviewed the written report of the Chief Engineer seeking approval to initiate and conduct condemnation proceedings, and the report included all information and documents required pursuant to Section 43-1-208(1), in relation to the Project and the Properties; and
