

Resolution Number TC -1845
FY 2010 Earmark Applications

WHEREAS, Congress has approved transportation earmarks in the Fiscal Year 2010 federal appropriations legislation; and

WHEREAS, the Federal Highway Administration requires that all Interstate Maintenance (IM) Fiscal Year 2010 congressional earmarks be submitted to them for review and approval by March 31, 2010; and

WHEREAS, Colorado has obtained a congressional earmark in the Interstate Maintenance category in the Fiscal Year 2010 funding cycle, and this earmark qualifies for various federal discretionary funding; and

NOW THEREFORE BE IT RESOLVED, the Department is instructed to submit the \$1 million, Colorado I-70 Central Park Boulevard, Stapleton Interchange, Colorado project contained in the the list of approved Fiscal Year 2010 congressional earmarks to the Federal Highway Administration for their review and approval.
