

Resolution # TC-15-8-3

Repeal of Policy Directive 1222.0 "Driving Record and License Requirements"

Approved by the Transportation Commission on Aug. 20, 2015

WHEREAS, § 43-1-106 (8)(a) C.R.S. gives authority to the Transportation Commission of Colorado ("Commission") to formulate general policy with respect to the management, construction, and maintenance of public highways and other transportation systems in the state; and

WHEREAS, the Department continues to review Policy Directives to determine whether they still offer value; and

WHEREAS, the Department has determined that Policy Directive 1222.0 no longer provides value with the recent updated of Procedural Directive 1222.1 "Driving Record and License Requirements" which now conforms to current practices and legal requirements; and

WHEREAS, providing all information in one document rather than two supports the goal of Department efficiency and transparency.

NOW THEREFORE BE IT RESOLVED, the Commission repeals Policy Directive 1222.0 as being no longer necessary.
