

Resolution Number TC-1799

WHEREAS, under the Colorado Revised Statutes 43-1-106(8), the Transportation Commission of Colorado has the statutory responsibility to set policies and establish rules for the Colorado Department of Transportation (CDOT); and

WHEREAS, the Executive Management Team has developed a formal policy statement to comply with the ADA Accessibility Requirements in CDOT Transportation Projects; and

WHEREAS, the Commission has established Policy Directive 507.0 to establish uniform guidelines for making facilities, new and existing, on CDOT construction projects accessible to persons with disabilities; and

NOW THEREFORE BE IT RESOLVED, that Policy Directive Number 507.0 ADA Accessibility Policy for CDOT Construction Projects Provided by the Department is hereby adopted as submitted as the standard form for use by CDOT.
