 - (i) any assignment and transfer referred to in Section 2.2(d)(i) occurs; or
 - (ii) an Enterprise Step-in occurs,

the Enterprises shall accept liability for Developer's obligations under the relevant Principal Subcontract and the Interface Agreement and shall as soon as practicable thereafter cure any outstanding breach by Developer which is capable of cure by Enterprises, in each case subject to Developer's rights under the terms of the relevant Principal Subcontract; provided that, with respect to any such breach that is incapable of being cured by the Enterprises, the Enterprises shall promptly following any such assignment and transfer or Enterprise Step-in, as applicable, provide a plan with respect to such breach specifying the action(s) they have taken or shall take in order to mitigate the material adverse effects (if any) of such breach on the Principal Subcontractor or in relation to the Principal Subcontractor and to prevent such breach (if capable of repetition) from occurring in the future.

- (g) For certainty, but without prejudice to the Principal Subcontractor's rights and remedies under this Agreement, the Enterprises shall not be under any obligation to the Principal Subcontractor, nor shall the Principal Subcontractor have any claim or cause of action against the Enterprises, unless and until any assignment and transfer referred to in Section 2.2(d)(i) or an Enterprise Step-in occurs.
- (h) Developer acknowledges and agrees that the Principal Subcontractor shall be entitled to rely on any notice or instruction given to it by the Enterprises' exercising their rights under this Agreement as conclusive evidence that the Enterprises are entitled to exercise such rights.

 - (ii) if necessary or desirable, and to the extent the parties agree to do so, apply to the court which declared such invalidity for an interpretation of the invalidated provision (or part thereof) to guide the negotiations.
- (b) If any provision (or part of any provision) of this Agreement shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such provision (or part thereof) shall not affect the validity, legality and enforceability of any other provision of (or the other part of such provision) or any other documents referred to in this Agreement, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision (or part thereof) had never been contained herein.
