CDOT Region 2 South Program Design Residency

US 50 SHIFT Passing Lanes Industry Outreach / Information Virtual Meeting

Date: November 17, 2025

Time: 11:00 am

The project team invites you to join us for an update on the delivery approach for the US 50 Safety/Operational Highway Improvements for Freight and Transit Project. The meeting will include a presentation followed by an opportunity to ask questions and provide feedback. The presentation will include an overview of the project and the alternative delivery selection process and recommendation.

Please use the link below to join the meeting.
