Statement of Interest: Castle Rock Construction Company of Colorado, LLC (CRCC) is in good standing with the Colorado Department of Transportation and all other owners we perform work for. The scope of this project is well suited for work commonly performed by our company (Concrete paving, excavation and project management.) CRCC has a good relationship with suppliers, designers and sub-contractors to fulfill all the needs of this project. With the vast experience CRCC has in building highways in Colorado, we can provide the State of Colorado the best value on this project and submit this Letter of Interest in regards to NHPP 0252-452 (21249) for consideration.

Sincerely

Ralph R Bell
CEO
