Number	RFP Reference	Question/Clarificaiton	CDOT Response
1	Page 40	Page 40, final sentence reads: “The resulting score will be added to the individual Proposer’s CMGC Management Price Percentage Proposal Form C-3 that will be included in the sealed submittal.” Please clarify this should be a reference to Form B-3.	Yes, it should reference B-3 and not C-3
2	Page 37	Section 3 - Proposal Content and Evaluation Criteria Subsection 3.2 Part 4 – Approach to Risk, Schedule and Price The section identifies 2 salient features of work that will be major factors in the success of the project. (pp. 37) The statement “For each Salient Feature provide a discussion of the following:” appears prior to the headings for Cost Model Approach, Schedule Approach and Risk Approach. Is the intent of the RFP to limit or only evaluate proposals discussion of Cost Model, Schedule, Risk and Quality and Safety with respect to the 2 salient features identified?	No.
