It is the responsibility of the proposer to verify all information within this document. If proposers use the information in preparing a proposal, it is used at their own risk. Proposers are responsible for all conclusion, deductions, and inference drawn from such information.

**Source of Question:** Email

**Question:** As prescribed in Section 2.5 B (QUESTIONS AND CHANGES TO THE RFP), the links noted in Section 1.10 (PRELIMINARY DOCUMENTS AND DRAWINGS) are not functioning. Is there an alternate link that might be available that has the noted documents?

**CDOT Response:** Please try the following workaround:  
 \* type either link once in your browser of choice, then bookmark it, or  
 \* type the second link once - procurement page – then bookmark it; after navigating to the procurement page, click on the link for the project page (bookmark it).
