Subject: Letter of Interest for Contractor CM/GC Services I-70 Vail Pass Auxiliary Lanes Phase I, Project No. NHPP 0701-240 SA No. 21685

Dear Mr. Figgs,

Lawrence Construction Company is interested in providing CM/GC Services for the subject project. We are a CDOT-prequalified contractor with unlimited capacity. With more than 90 years of experience providing heavy civil construction in Colorado, Lawrence has the experience to successfully provide the Project.

Please include Lawrence Construction Company on distribution of future notices, announcements, and correspondence for the Project.

Our designated point of contact is:

Scott Lawrence
Lawrence Construction Company, Inc.
