Mr. Figgs,

W.W. Clyde & Co. and Scott Contracting, Inc., as joint venture partners, are pleased to submit this letter of Interest regarding the I-70 West Vail Pass Auxiliary Lanes Phase I, CM/GC project. Both W.W. Clyde and Scott Contracting have proven experience in the construction of highways and bridges throughout the Intermountain West and are committed to providing CDOT with a quality project, delivered on time and within budget, while minimizing impacts to the traveling public. We are expert in and committed to key principles of the CM/GC process such as partnering, innovation, constructability reviews, competitive pricing and quality construction that ensures success to a project.

Louis Burns will be our designated single contact for this project. You may direct all future correspondence to Louis at the locations below:
