Flatiron Constructors, Inc. (Flatiron) formally submits this Letter of Interest to provide Construction Manager/General Contractor (CMGC) services for the subject project. Flatiron is committed to providing CDOT with a project that exceeds your expectations and goals as outlined in the Request for Letters of Interest.

Headquartered in Broomfield CO, Flatiron is one of the leading transportation infrastructure contractors in North America with more than 70 years of experience. We are consistently ranked as a top highway, transportation, and bridge contractor by Engineering News-Record.

Flatiron understands that informal one-on-one project briefings are available and we will await your response on when these opportunities are scheduled.

Please contact Nick Polce, Flatiron's Vice President, Deputy Division Manager – Central, for any correspondence related to the subject project:
