**Question:** Can the Optional Section (5 pages) of the proposal be used for an extension of the 10 page proposal, and/or for additional Letters of Recommendation and awards?

**Answer:** Per RFP section 2.8, "The optional section may include supplemental materials for risk assessments, cost model examples, processes, and additional photos, exhibits, or schedules."

**Question:** Would CDOT accept a link to the final proposal document through One Drive or Google Drive, or should we plan to split the document into multiple documents if it does not go through as an email attachment (like it describes in section 2.8 of the RFP)?

**Answer:** CDOT is not accepting proposals through One Drive or Google Drive. you may split the files or, per section 2.8, "Proposers may send a practice pdf file to [roberta.s.lopez@state.co.us](mailto:roberta.s.lopez@state.co.us) as a test ahead of the RFP deadline. This file will be deleted by CDOT."

**Question:** Will the Incentive/Disincentive spec for concrete pavement (strength, thickness and smoothness) apply to this project, or are you planning to remove sections 105.06 and 105.07 from the Project Special Provisions?

**Answer:** The concrete pavement incentive/disincentive specifications, sections 105.06 and 105.07, will apply to the project.

**Question:** Can you please confirm that Force Accounts related to the Quality Incentive Payment and the Roadway Smoothness Incentive would still be applicable if the CM was awarded the GC portion of these projects?

**Answer:** The force accounts related to quality incentive payment and roadway smoothness incentive would still be applicable if the CM is awarded the GC portion of the project.
