Replacement Program
23010 (BE) – 23014 (Non-BE)
Final Question and Answers
July 2, 2020**

Question: Will CDOT allow proposals to contain links to videos?

Answer: CDOT will only evaluate and score conforming information contained within submitted .pdfs. If submitted .pdfs contain links to videos, URLs, and other sources, those links are deemed non-conforming and the information accessible via those links will not be evaluated or scored. CDOT will issue RFP Addendum 1 with the above information.
