I-270 Critical Bridge Replacements Project
Mile Point (MP) 0.9 to MP 2.0
CDOT Project Number: FBR 2706-44/C R100-364
Subaccount Number: 24947/24527

RFI Number	Inquiry Received Date	Response Date	RFI Description	CDOT Response	Reference	Modifications to RFP Yes/No
1	11/8/2022	11/18/2022	The RFP does not prescribe a margin height/width for the proposal submission. May we assume that any margin size is allowable, provided that it can be reasonably viewed and printed as needed by CDOT?	Any margin size is allowable as long as it is able to be reasonably viewed and printed as needed by CDOT.	DRAFT RFP Section 2.9.B Page Number 31	No
2	11/10/2022	11/15/2022	Please clarify the role of the CM Quality Manager. The RFP states The Quality Manager will be responsible for managing Project quality for both design and construction. Is this the intent?	The intent is for the CM Quality Manager to provide quality assurance with regards to errors and omissions during the preconstruction phase.	DRAFT RFP Section 3.1.A Page Number 34	Yes
