6.0 PROPOSAL EVALUATION PROCESS

The following procedure outlines the Proposal evaluation process to be conducted in accordance with this Evaluation Manual. The Evaluation Manual flowchart is included in **Figure 2** of this Evaluation Manual.

6.1 Proposal Evaluation Process - Step 1

Upon CDOT’s receipt of the Proposals, the Responsiveness Facilitator will conduct a Responsiveness Review of each Proposal in accordance with the process identified below, to determine the responsiveness sufficiency of each Proposal.

- The Responsiveness Review will be conducted in accordance with the Final RFP and the Responsiveness Checklist identified in **Appendix A** of this Evaluation Manual.
- The Responsiveness Facilitator, with concurrence of the Coordination Team Leader, may issue a Request for Clarification to a Proposer to solicit supplemental information. The Proposals may not be significantly altered nor materially changed by the clarification.
- The Coordination Team Leader will evaluate the Request for Clarification issued by the Responsiveness Coordinator and determine if the purpose of the request falls within reason to the criteria listed below:
 - Resolves any minor uncertainties or obtain clarification concerning the Proposal’s responsiveness.
 - Resolves any suspected mistakes unrelated to the technical content of the Proposal by calling the suspected mistake to the attention of the Proposer.
 - Provides the Proposer a reasonable opportunity to submit clarifications that are in response to the Request for Clarification resulting from the Proposal responsiveness review, unrelated to the technical evaluation of its Proposal content.
- If the Responsiveness Facilitator determines that a Proposal (including any Request for Clarification responses) is non-responsive, the Responsiveness Facilitator will recommend to the Coordination Team Leader that CDOT declare the Proposal non-responsive.
- If the Coordination Team Leader agrees with the Responsiveness Facilitator’s non-responsive recommendation, the Coordination Team Leader shall draft a notice for the Executive Oversight Committee’s approval. If the Coordination Team Leader does not agree with the Responsiveness Facilitator’s non-responsive recommendation, the Coordination Team Leader shall escalate the discussion to the Executive Oversight Committee.
- The Executive Oversight Committee shall concur with the notice, the notice will be issued to the appropriate Proposer by the Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director. If the Executive Oversight Committee does not agree

with the notice, the Proposal shall be deemed responsive.

- Non-responsive Proposals **will not** be evaluated or scored.
- Responsive proposals **will** be evaluated and scored.

6.2 Proposal Evaluation Process - Step 2

For all Proposals that are determined to be “Responsive”, Step 2 of the evaluation process will begin in accordance with the process identified below.

6.2.1 Proposal Evaluation Team Process

- Each Proposal Evaluation Team member shall review the **entire** Proposal with focus on their respective assigned Proposal Section to determine the merits of each Proposer’s overall approach to meeting the requirements of the Final RFP.
- Each Proposal Evaluation Team member shall complete an assessment of “Significant” or “Minor” Strengths and Weaknesses, (as defined in **Appendix B** of this Evaluation Manual), of their **assigned** Proposal Section using the appropriate Individual Evaluator Scoresheet located in **Appendix C** of this Evaluation Manual.
- Each Proposal Evaluation Team member shall provide reasoning of the “Significant” or “Minor” Strengths and Weaknesses by documenting comments in the appropriate Individual Evaluator Scoresheet. The comments should be specific, objective and not generalizations.
- Each Proposal Evaluation Team member shall assign a corresponding score based off of the defined criteria in **Appendix B** of this Evaluation Manual. Each Team member’s assessment of “Strengths and Weakness”, and the definition of the scores will be the sole basis of their score. The Score will be to the Nearest one quarter point (1.0,1.25,1.5, etc.), and shall then be recorded on the appropriate Individual Evaluator Scoresheet located in appendix C of this Evaluation Manual.
- Each Proposal Evaluation Team Leader shall schedule and facilitate a Proposal Evaluation Team Meeting with their respective Proposal Evaluation Team. This meeting will be used to discuss the documented Strengths, Weaknesses, and scores of the individual Proposal Evaluation Team members including the Proposal Evaluation Team Leader.
- At the conclusion of the Proposal Evaluation Team Meeting. The Proposal Evaluation Team Leader will average the individual Proposal Evaluation Team member’s scores to arrive at a consensus score for their assigned Proposal Section using the appropriate Evaluation Team Consensus Scoresheet located in **Appendix E** of this Evaluation Manual. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- Each Proposal Evaluation Team Leader shall present their Evaluation Team Consensus Scoresheet to the Coordination Team at the Proposal Coordination Team Meeting. See below for information regarding the Proposal Coordination Team Meeting.

6.2.2 Coordination Team Process

- Each Coordination Team member shall review the entire Proposal to determine the merits of each Proposer’s overall approach to meeting the requirements of the Final RFP.
- Each Coordination Team member shall complete an assessment of “Significant” or “Minor” Strengths and Weaknesses, as defined in **Appendix B** of this Evaluation Manual, using the Coordination Team Member Notebook located in **Appendix D** of this Evaluation Manual. Each Coordination Team member shall provide supporting documentation of the recorded Strengths and Weaknesses in the Coordination Team Member Notebook of which the comments should be specific and not generalized.

- The Coordination Team Leader shall schedule and facilitate the Proposal Coordination Team Meeting that will include the Coordination Team, Proposal Evaluation Team Leaders, Observers, and Technical Advisors (if requested). The Proposal Evaluation Team Leaders shall present their individual team's consensus findings at a high level and discuss the information with the Coordination Team.
- Upon overall validation at the Proposal Coordination Team Meeting, the Coordination Team Leader will apply the maximum number of points available to each Proposal Sections of the Proposal Evaluation Process, for each Proposal. This will be documented using the Coordination Team Consensus Scoresheet located in **Appendix F** of this Evaluation Manual. This process will calculate the Proposal Evaluation Score for each Proposal. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- Once the Proposal Evaluation score is calculated for each Proposal, the Coordination Team Leader shall rank the Proposals in ascending order and document the ranking using the Coordination Team Shortlist Consensus spreadsheet located in **Appendix G** of this Evaluation Manual.
- The Coordination Team Leader shall then determine the recommended Shortlisted Proposers in accordance with the Final RFP. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- The Coordination Team Leader will complete the Proposal Evaluation Shortlist Concurrence Memorandum and provide it to the Executive Oversight Committee.

6.2.3 Executive Oversight Committee Process

- The Coordination Team Leader shall deliver the Proposal Evaluation Shortlist Memorandum to the Executive Oversight Committee 48-hours in advance of the Executive Oversight Committee Proposal Evaluation Shortlist Meeting. The Coordination Team shall attend this meeting and the Coordination Team Leader shall schedule this meeting.
- The Coordination Team shall present the Proposal Evaluation Shortlist Concurrence Memorandum to the Executive Oversight Committee at the Executive Oversight Committee Proposal Evaluation Shortlist Meeting. The Executive Oversight Committee Chairperson may request that any member of the Coordination Team answer questions from the Executive Oversight Committee on the evaluation process and results.
- The Executive Oversight Committee Chairperson, with consensus of the Executive Oversight Committee, shall provide concurrence of the recommended Shortlisted Proposers.
- Representatives of the Federal Highway Administration (FHWA) and Observers may attend the Executive Oversight Committee Proposal Evaluation Shortlist Meeting. However, no representative or Observer will participate in the deliberations of the Executive Oversight Committee regarding the list of Shortlisting of Proposers.
- The Coordination Team Leader shall inform the Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, to notify all Proposers of the results. The Shortlisted Proposers will then proceed to the interviews.

7.0 INTERVIEW EVALUATION PROCESS

Only Shortlisted Proposers are eligible to participate in the Interview phase. The following procedure outlines the Interview evaluation process. The Evaluation Manual flowchart is included in **Figure 2** of this Evaluation Manual.

7.1 Interview Evaluation Team

Each Interview Evaluation Team member shall attend the Shortlist interviews and evaluate each interview in accordance with the process identified below.

- The Contract Officer, or a substituted Contract Officer approved by the Project Director, listed in the Final RFP will facilitate the Interviews.
- Each Interview Evaluation Team member shall observe the Interview to determine the merits of each Proposer's overall responsiveness and approach to meeting the requirements of the Final RFP.
- Each Interview Evaluation Team member shall complete an assessment of "Significant" or "Minor" Strengths and Weaknesses, (as defined in **Appendix B** of this Evaluation Manual), of the Interview using the Interview Individual Evaluator Scoresheet located in **Appendix H** of this Evaluation Manual. Each Interview Evaluation Team member shall provide documentation of their assessment of "Significant" or "Minor" Strengths and Weaknesses by documenting comments in the Interview Individual Evaluator Scoresheet, of which the comments should be specific and not generalized. This shall be completed for the presentation, the team challenge, and the question-and-answer session of the Interview.
- Each Interview Evaluation Team member shall determine a corresponding score based off the defined criteria in **Appendix B** of this Evaluation Manual. Each Team member's assessment of "Strengths and Weakness", and the definition of the scores will be the sole basis of their score. This shall be completed for the presentation, the team challenge, and the question-and-answer session of the Interview. The scoring shall also be recorded on the Interview Individual Evaluator Scoresheet.
- The Coordination Team Leader/Interview Evaluation Team Leader will schedule and facilitate an Interview Evaluation Team Meeting. The Coordination Team Leader will lead the discussion of Strengths, Weaknesses, and scores of each Shortlisted Proposer and ensure that each Interview Evaluation Team member has opportunity to express their perspectives in the meeting.
- Upon verification, the Coordination Team Leader will average the individual Interview Evaluation Team member's scores to arrive at consensus scores for the Interview Evaluation Team using the Coordination Team Interview Consensus Scoresheet located in **Appendix I** of this Evaluation Manual. This shall be completed for, the presentation, the team challenge, and the question and answer session of the Interview. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- Upon overall validation at the Interview Evaluation Team Meeting, the Coordination Team Leader will apply the maximum number of points available for all Interview Sections of the Interview evaluation process for each Proposal using the Coordination Team Total Scoresheet located in **Appendix J** of this Evaluation Manual. This process will calculate the Interview Evaluation Score for each Proposal. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.

8.0 TOTAL SCORE PROCESS

The following procedure outlines the Total Score process to be followed to complete the overall evaluation process. The Evaluation Manual flowchart is included in **Figure 2** of this Evaluation Manual.

8.1 Coordination Team Leader Process

- The Coordination Team Leader will calculate the Total Score by adding the Proposal Evaluation score and the Interview Evaluation score for each Shortlisted Proposer using the Coordination Team Total Scoresheet located in **Appendix J** of this Evaluation Manual (for clarity, this is the same scoresheet as mentioned above). The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- Once the Proposal Total Score is calculated for each Shortlisted Proposer, the Coordination Team Leader shall rank the Shortlisted Proposers using the Coordination Team Final Ranking of Shortlisted Proposers sheet located in **Appendix K** of this Evaluation Manual. The Coordination Team Leader shall then determine the recommended highest ranked Shortlisted Proposer in accordance with the Final RFP. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- The Coordination Team Leader will complete the Proposal and Interview Evaluation Concurrence Memorandum and provide it to the Executive Oversight Committee.

8.2 Executive Oversight Committee Process

- The Coordination Team Leader shall deliver the Proposal and Interview Evaluation Concurrence Memorandum to the Executive Oversight Committee 48-hours in advance of the Executive Oversight Committee Proposal and Interview Evaluation Meeting. The Coordination Team shall attend this meeting and the Coordination Team Leader shall schedule this meeting.
- The Coordination Team shall present the Proposal and Interview Evaluation Concurrence Memorandum to the Executive Oversight Committee at the Executive Oversight Committee Proposal and Interview Evaluation Meeting. The Executive Oversight Committee Chairperson may request that any member of the Coordination Team answer questions from the Executive Oversight Committee on the evaluation process and results.
- The Executive Oversight Committee Chairperson, with consensus of the Executive Oversight Committee, shall provide concurrence of the highest ranked Proposer. The highest ranked Proposers will now be referred to as the Successful Proposer.
