Dear Ms. Dawson,

The Ralph L. Wadsworth Construction Company, Inc. appreciates the opportunity to submit our Letter of Interest for the I-270 Critical Bridge Replacements CM/GC Project. Ralph L. Wadsworth Construction (RLW) is a heavy highway contractor specializing in CM/GC project delivery and in bridge construction and replacement while maintaining all existing traffic lanes. We are familiar with the corridor, having constructed the RTD skyway project that spans I-270 at the Burlington Irrigation Ditch (FRICO). The I-270 Bridge Replacements Project is a great fit for us and an excellent opportunity to showcase our skills and experience.

Respectfully,

A handwritten signature in blue ink, appearing to read "Jim Deschenes".
