Subject: Letter of Interest for Region 2 Bridge Bundle Design Build Project, SA 23558

Dear Mr. Dalton,

Lawrence Construction Company is interested in providing Design Build Services for the subject project. We are a CDOT-prequalified contractor with unlimited capacity. With more than 95 years of experience providing heavy civil construction in Colorado and more than a dozen successful Design Build projects in Colorado, Lawrence has the experience to successfully provide the Project for CDOT Region 2.

Please include Lawrence Construction Company on distribution of future notices, announcements, and correspondence for the Project.

Our designated point of contact is:

Todd Smith
VP of Operations
Lawrence Construction Company
9002 N. Moore Road
Littleton, CO 80125
303.791.5642
FAX: 303.791.5647
Email: TSmith@lawrence-construction.com

We look forward to meeting with you as the project progresses.

Sincerely,

Scotty Lawrence
President
