

FORM D
BUY AMERICA CERTIFICATION (FHWA)

(To be signed by authorized signatory(ies) of Proposer)

The undersigned certifies that only domestic steel and iron will be used for the construction portion of the Project.

To be considered domestic, all steel and iron used and all products manufactured from steel and iron must be produced in the United States and all manufacturing processes, including application of a coating, for these materials must occur in the United States. Coating includes all processes, which protect or enhance the value of the material to which the coating is applied. This requirement does not preclude a minimal use of foreign steel and iron materials, provided the cost of such materials does not exceed 0.1 percent of the Contract Price.
