

Region 2 Bridge Bundle Design-Build Project
Project: FBR R200-266, S/A: 23558
Deliverables Management

Appendix A - INSTRUCTIONS FOR PROPOSAL SUBMISSION
(Reminder: All proposals are due to CDOT by 2:00pm September 23, 2021)

The Proposer is required to submit two transmittals. Transmittal 1 shall be labeled Confidential Price Proposal. Transmittal 2 shall be labeled Technical Proposal. CDOT Contracts will open and evaluate the first transmittal and its contents will **not** be visible by the proposal evaluation team prior to technical evaluation and scoring. The Project Evaluation Team will evaluate the second transmittal and its contents after CDOT Contracts has performed a responsiveness review.

Transmittal 1 shall include:

- Volume II Proposer Information, Forms, and Certifications
- Volume V Price Proposal (Form J)
- Volume VI Upset Amount Determination (Form T)
- Volume VII Options Proposal (Form K)
(This Volume is not required but may be included at the Proposer's discretion)

Transmittal 2 shall include:

- Volume I Executive Summary
- Volume III Technical Proposal
- Volume IV Project Plans, AREs, ACCs, ATCs, Schedule, and Draft Civil Rights Plan

Transmittal Instructions

1. Each Proposer will be sent a link to a Google Drive reserved for their Proposal.
2. Open the Google Drive.
3. The Google Drive will contain two folders:
 - a. Transmittal 1 – Confidential Price Proposal
 - b. Transmittal 2 – Technical Proposal
4. Add Proposal Volume documents to the appropriate folder as listed above.
5. Once all Proposal documents have been placed in the appropriate Google Drive and folder, email the Project Director at scott.dalton@state.co.us and CDOT Contracts at roberta.s.lopez@state.co.us. In the "Subject" line include "Proposal Submitted."
