RE: Letter of Interest 24210 – EJMT Drainage, Pumping, Heat Trace Project

Dear Roberta,

American Civil Constructors LLC (ACC Mountain West) is interested in providing Design/Build services for the EJMT Drainage, Pumping and Heat Trace project. ACC Mountain West is a CDOT prequalified contractor with unlimited capacity and a bonding in excess of \$500 million.

With more than 46 years building road, bridge and infrastructure projects in Colorado, including several Design/Build projects, and a previous drainage project within the EJMT, ACC has the experience to deliver a project to the taxpayers we can all be proud of.

Please include ACC Mountain West on the distribution list for future notices, announcements and correspondence for this project.

Our designated point of contact is:

Jody Randall

4901 S. Windermere St.

Littleton, CO 80120

Phone: 303-730-4504 Fax: 303-347-1844

Email: Jody.Randall@accbuilt.com

We look forward to meeting with your team as the project progresses.

Thank you,
Jody Randall
