

Section 6 – Third Party Agreements

GENERAL

The Contractor shall be responsible for obtaining all third-party approvals required to complete the Work, except as otherwise specified in the Contract Documents. Third-party coordination and approvals will be required from, but not limited to, the following agencies: Public Utility Owners and Private Utility Owners. Utility Company requirements are addressed in Section 7, Utility Relocations. Coordination and approval requirements of Local Agencies are addressed in this Section.

Forest Service/Local Agency

The Contractor shall meet the requirements of the Memorandum of Understanding with the US Forest Service pertaining to the project obtained prior to construction.

Deliverables

At a minimum, the Contractor shall submit the following for review, approval, and/or acceptance:

Deliverable	Acceptance or Approval	Schedule
Utility Crossing Permit (if necessary)	Acceptance	Prior to commencing any Work which impacts a Utility
