Request for Letters of Interest for Streamlined Design-Build Services
I-70 Vail Pass Various Wall Repairs

The Colorado Department of Transportation (CDOT) is proposing to repair various retaining walls on I-70 in Eagle County and is soliciting Statements of Interest from companies or teams interested in providing Streamlined Design-Build services for the project.

The purpose of the project is to provide structural repair for retaining walls on I-70 at the interchange of I-70 and US 6/US 24, and on the west side of Vail Pass. The streamlined design-build budget for the project is between \$1.5 million to \$2.5 million.

CDOT has determined that the streamlined design-build delivery provides the best process to complete the design and construction of the project.

The prioritized goals for the project are:

1. Repair the selected eight walls.
2. Achieve an aesthetically compatible design with the existing walls.
3. Complete the project during the 2019 construction season.
4. Minimize the impacts and inconvenience to I-70 travelers and users of the Vail Pass National Recreational Trail.

Procurement Process

A Request for Proposals (RFP) will be sent to respondents to this Letter of Interest and submittals will be evaluated using best-value criteria. The RFP will include a conceptual design and will encourage innovation from the private sector to maximize the project scope delivered.

The approximate anticipated schedule for the project procurements is:

Draft RFP Issued: October 16, 2018
Final RFP Issued: November 1, 2018
Proposals Due: December 14, 2018
Notice of Award: January 25, 2019
Notice to Proceed: February 22, 2019

A Letter of Interest must be sent by registered mail, Federal Express, UPS or a similar delivery method that furnishes proof of having been received by CDOT no later than 3:00 pm Wednesday, October 31, 2018. Statements of Interest that are sent via email or fax will not be accepted.

Please address Letters of Interest to:

Pehle Colletta
Colorado Department of Transportation
2829 W. Howard Place
Denver, CO 80204

The following must be included in the Letter of Interest:

1. Title: Statement of Interest for the I-70 Vail Pass Various Wall Repairs
2. Company or team name
3. Contact Person
4. Address, phone, fax and email information

Only those firms submitting a letter of interest meeting the above requirements will receive a Request for Proposal. A stipend will be provided for responsive bidders. Letters of Interest will also be used to compile a list of interested companies for any notices and announcements relating to this project.

For more information or questions on the project please contact:
