Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period September 27, 2018 to October 15, 2018. In accordance with the Colorado Procedure 59 (CP-59), Martin Marietta requested renewal as a Contractor using the Maxam AQUABlack WMA Foaming Technology.

Quality of Submittal

The Martin Marietta submittal using Maxam AQUABlack WMA Foaming Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Martin Marietta to design, batch, and construct WMA using the AQUABlack Technology. Maxam AQUABlack is an approved foaming technology, without restrictions.

WMA Decision

Martin Marietta is renewed as a contractor for design, batch and placement of the Maxam AQUABlack Foaming Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
