

WMA Contractor Review
Aggregate Industries for Cecabase RT 945
April 18, 2012

DATE: April 18, 2012

FROM: Jim Zufall, Materials and Geotechnical Branch Manager

TO: MAC Members and Industry Partners

SUBJECT: Final Decision on Approval for Aggregate Industries Incorporated using Cecabase RT 945

REFERENCE: <http://www.coloradodot.info/business/apl/asphalt-warm-mix.html>

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period April 10, 2012 to April 18, 2012. In accordance with the Colorado Procedure 59 (CP-59), Aggregate Industries (AI) Incorporated's submittal for using Cecabase RT 945 was reviewed.

Quality of Submittal

The AI Contractor submittal using Cecabase RT 945 WMA technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for AI to design, batch, and construct WMA using the Cecabase RT 945 product/technology. Cecabase RT 945 product is an approved technology that is limited to 10,000 ton per project; as such the technology was not reviewed.

NSM Decision

AI is approved as a contractor for design, batch and placement of the Cecabase RT 945 WMA technology. This contractor will be listed as approved to use this technology on the CDOT website under the category of Approved WMA Contractors.

Re-evaluation Date

4/18/2015
