SUBJECT: Final Decision on the Approval of Warm Mix Asphalt Mix Submittal for Four Corners Materials, Contractor Approval using ZycoTherm WMA Technology

REFERENCE: [www.codot.gov/business/apl/asphalt-warm-mix.html](http://www.codot.gov/business/apl/asphalt-warm-mix.html)

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period March 27, 2017 to April 11, 2017. In accordance with the Colorado Procedure 59 (CP-59), Four Corners Materials requested review and approval as a Contractor using the ZycoTherm WMA Technology.

Quality of Submittal

The Four Corners Materials submittal using ZycoTherm WMA Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Four Corners Materials to design, batch and construct WMA using the ZycoTherm WMA Technology. ZycoTherm is an approved technology, with a current restriction of up to 10,000 tons per project.

WMA Decision

Four Corners Materials is approved as a contractor for design, batch and placement of the ZycoTherm Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.

Re-evaluation Date
