

**WMA Contractor Review  
Elam Construction – Evotherm  
July 5, 2016**

DATE: July 5, 2016

FROM: Bill Schiebel, Materials and Geotechnical Branch Manager

TO: MAC Members and Industry Partners

SUBJECT: Final Decision on Approval of Warm Mix Asphalt Mix Submittal for Elam Construction, Contractor Approval using Evotherm 3G WMA Technology

REFERENCE: <http://www.coloradodot.info/business/apl/asphalt-warm-mix.html>

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period June 17, 2016 to July 1, 2016. In accordance with the Colorado Procedure 59 (CP-59) Elam Construction requested review and approval as a Contractor using the Evotherm 3G WMA Technology.

Quality of Submittal

The Elam Construction submittal using Evotherm 3G WMA Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Elam Construction to design, batch and construct WMA using the Evotherm 3G WMA Technology. Evotherm is an approved technology, without restrictions.

WMA Decision

Elam Construction is approved as a contractor for design, batch and placement of the Evotherm 3G WMA Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
