TO: MAC Members and Industry Partners

SUBJECT: Final Decision on Approval of Warm Mix Asphalt Mix Submittal for Grand River Construction, Contractor Approval using Zycotherm WMA Technology

REFERENCE: www.codot.gov/business/apl/asphalt-warm-mix.html

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period July 1, 2016 to July 18, 2016. In accordance with the Colorado Procedure 59 (CP-59) Grand River Construction requested review and approval as a Contractor using the Zycotherm WMA Technology.

Quality of Submittal

The Grand River Construction submittal using Zycotherm WMA Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Grand River Construction to design, batch and construct WMA using the Zycotherm WMA Technology. Zycotherm is an approved technology, with a current restriction of up to 10,000 tons.

WMA Decision

Grand River Construction is approved as a contractor for design, batch and placement of the Zycotherm WMA Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
