SUBJECT: Final Decision on Approval of Warm Mix Asphalt Mix Submittal for McAtee Construction Company, Contractor Approval using Maxam's AquaBlack Solutions

REFERENCE: <http://www.coloradodot.info/business/apl/asphalt-warm-mix.html>

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period November 18, 2013 to December 13, 2013. In accordance with the Colorado Procedure 59 (CP-59), McAtee Construction Company requested review and approval as a Contractor using the Maxam's AquaBlack Solutions.

Quality of Submittal

The McAtee Construction Company submittal using the Maxam's AquaBlack Solutions WMA technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for McAtee Construction Company to design, batch and construct WMA using the Maxam's AquaBlack Solutions technology. Maxam's AquaBlack Solutions is an approved technology, without restrictions.

WMA Decision

McAtee Construction Company is approved as a contractor for design, batch and placement of the Maxam's AquaBlack Solutions technology. This contractor will be posted to the CDOT website as an approved WMA technology under the category of Approved WMA Contractors.
