SUBJECT: Final Decision on Approval of Warm Mix Asphalt Mix Submittal for Everist Materials, LLC, Contractor Approval using Evotherm 3G WMA Technology

REFERENCE: <http://www.coloradodot.info/business/apl/asphalt-warm-mix.html>

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period April 16, 2014 to May 8, 2014. In accordance with the Colorado Procedure 59 (CP-59) Everist Materials requested review and approval as a Contractor using the Evotherm 3G WMA Technology.

Quality of Submittal

The Everist Materials submittal using Evotherm 3G WMA Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Everist Materials to design, batch and construct WMA using the Evotherm 3G Technology. Evotherm 3G is an approved technology, without restrictions.

WMA Decision

Everist Materials is approved as a contractor for design, batch and placement of the Evotherm 3G Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
