

WMA Contractor Review
Four Corners Materials - Evotherm 3G
July 15, 2019

DATE: July 15, 2019

FROM: Craig Wieden, Materials and Geotechnical Branch Manager

TO: MAC Members and Industry Partners

SUBJECT: Final Decision on the Approval of Warm Mix Asphalt Mix Submittal for Four Corners Materials, Contractor Approval using Evotherm 3G WMA Technology

REFERENCE: www.codot.gov/business/apl/asphalt-warm-mix.html

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period July 1, 2019 to July 15, 2019. In accordance with the Colorado Procedure 59 (CP-59), Four Corners Materials requested review and approval as a Contractor using the Evotherm 3G WMA Technology.

Quality of Submittal

The Four Corners Materials submittal using Evotherm 3G WMA Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Four Corners Materials to design, batch, and construct WMA using the Evotherm 3G Technology. Evotherm 3G is an approved technology, without restrictions.

WMA Decision

Four Corners Materials is approved as a contractor for design, batch, and placement of the Evotherm 3G Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
