

WMA Contractor Review
Martin Marietta Materials for AquaBlack Solutions
September 19, 2014

DATE: September 19, 2014

FROM: Bill Schiebel, Materials and Geotechnical Branch Manager

TO: MAC Members and Industry Partners

SUBJECT: Final Decision on Approval of Warm Mix Asphalt Mix Submittal for Martin Marietta Materials, Contractor Approval using Maxam's AquaBlack WMA Technology

REFERENCE: <http://www.coloradodot.info/business/apl/asphalt-warm-mix.html>

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period September 9, 2014 to September 19, 2014. In accordance with the Colorado Procedure 59 (CP-59) Martin Marietta Materials requested review and approval as a Contractor using Maxam's AquaBlack Solutions WMA technology.

Quality of Submittal

The Martin Marietta Materials submittal using Maxam's AquaBlack Solutions WMA technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Martin Marietta Materials to design, batch and construct WMA using the AquaBlack Solutions technology. AquaBlack Solutions is an approved technology, for use on CDOT Projects, without tonnage restrictions.

WMA Decision

Martin Marietta Materials is approved as a contractor for design, batch and placement of the AquaBlack Solutions technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
