

# WMA Contractor Review Kiewit - Astec Green System December 30, 2019

DATE: December 30, 2019

FROM: Craig Wieden, Materials and Geotechnical Branch Manager

TO: MAC Members and Industry Partners

SUBJECT: Final Decision on the Approval of Warm Mix Asphalt Mix Submittal for Kiewit, Contractor Approval using Astec Green System WMA Foaming Technology

REFERENCE: [www.codot.gov/business/apl/asphalt-warm-mix.html](http://www.codot.gov/business/apl/asphalt-warm-mix.html)

## Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period December 9, 2019 to December 27, 2019. In accordance with the Colorado Procedure 59 (CP-59), Kiewit requested approval as a Contractor using the Astec Green System WMA Foaming Technology.

## Quality of Submittal

The Kiewit submittal using Astec Green System WMA Foaming Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Kiewit to design, batch, and construct WMA using the Green System Technology. Astec Green System is an approved foaming technology, with a  $\leq 5,000$  tons per project restriction.

## WMA Decision

Kiewit is approved as a contractor for design, batch and placement of the Astec Green System Foaming Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.

## Re-evaluation Date
