

## **Best Value Award Results for CDOT Project ER 0361-118 (20744R)**

In accordance with the best value request for proposal notice issued on October 24, 2019, CDOT is pleased to announce the results of the best value solicitation process.

Three (3) General Contractors participated in responding to the best value solicitation where the Contractor receiving the highest overall best value score is selected for the award of the project based on the evaluation criteria identified in the solicitation.

The final best value scoring results are as follows:

<b><u>General Contractor</u></b>	<b><u>Best Value Score</u></b>
*Flatiron Constructors, Inc.	88.6
Ralph L. Wadsworth Construction Company, LLC	86.4
Lawrence Construction Company, Inc.	83.5

\*Based on the above, Flatiron Constructors, Inc. as the highest best value scoring firm is selected for award of CDOT Project ER 0361-118 (20744R).

Once the Notice of Award has been issued to Flatiron Constructors, Inc. for award of the project, the line item bid tab results will be posted on CDOT's "Bid Results for Recently Let Projects" and "Archived Bid Tabs – 2019" web pages with links to these pages provided below.
