

Bridge Enterprise Projects - Prior Funding

*for inclusion in the FY2012 - FY2017 Statewide Transportation Improvement Program
submitted for Transportation Commission approval on December 15, 2011*

The projects on the following list have received Bridge Enterprise funding. These projects were funded in FY10 and FY11 and were included in the FY2008 - FY2013 STIP; however, these projects were omitted from the Draft FY2012 - FY2017 STIP. We present these projects now for inclusion into the FY2012 - FY2017 STIP so that any further funding may be SITP'd and budgeted. Further funding, if necessary, may include bid adjustments, project closure adjustments, or additional design and construction funding that were not included in the FY2008 - FY2013 STIP.
