## **CDOT Region #2**

#### **Summary Observations**

An on-site ADA survey was conducted October 5, 2016, by Patrick Going, ADA Consultant. All observations are based on the *2010 ADA Standards for Accessible Design*. These Standards may be found at <a href="https://www.access-board.gov">www.access-board.gov</a>.

This is a modern rest area with easy access from I-25 - just north of Trinidad. It is supervised and maintained seven days a week. This rest area is very accessible for people with disabilities. No deficiencies of any significance were observed.

#### **Parking**

There are 40 automobile parking spaces with four (4) designated accessible parking spaces - two of which are marked 'van.'

There is a separate paved parking area with 14 large parking spaces for RV's and trucks. Good access route to the building and amenities.

#### Path-of-Travel

The route from the accessible car parking spaces to the building is acceptable.

#### **Rest Rooms**

The men's and women's rest rooms are acceptable with full-size accessible toilet stalls. The sink pipes aren't wrapped but one sink in each area is turned and recessed..

#### **Vending Machines and Visitor Information**

There is amble circulation space to reach the vending machines and visitor information.

**Dog Relief Areas** - There is ample 'dog relief' areas. They are accessible for people with disabilities who use assistive mobility devices.
