

How to Request Access to Survey123

Who Should Request Access?

Any individual completing curb ramp inspections should request access to Survey123

This includes:

- Project Managers
- Project Engineers
- Inspectors
- Consultants performing inspections

How to Request Access to Survey123

1 Step One: Click “Request Access to Survey123 for ArcGIS”

The screenshot shows a web browser window with the URL <https://www.codot.gov/business/civilrights/ada/resources-engineers>. The page header includes the CDOT logo and the text "COLORADO Department of Transportation". Below the header is a purple banner with a door icon and the text "Business Center". The breadcrumb trail reads: "You are here: [Home](#) / [Business Center](#) / [Civil Rights & Business Resource Center](#) / [ADA](#) / ADA Resources for Engineers".

The main content area is titled "ADA Resources for Engineers" and contains the following sections:

- CDOT's Accessibility Program**
- Curb Ramp Accessibility Initiative**
- ADA Compliance Transition Plan**
- Citizens and ADA**
- ADA Resources for Engineers**
- ADA in Work Zones**
- ADA Training Opportunities**
- Local Agency & Subrecipient Resources**

The "ADA Resources for Engineers" section includes a sub-section titled "As Built & Survey123" with the following items:

- Request Access to Survey123 for ArcGIS
- Curb Ramp Intersection Position Designation Diagram
- Paper As Built Form - NEW March 2019
 - Please note that all data must be submitted through Survey123; the paper form is intended to be a potentially helpful tool in the field.

The "Training & Support" section includes the following items:

- Videos NEW
 - How to Measure Curb Ramps for Accessibility (Eng.)
 - Inspeccionando las Rampas de Banqueta (Esp.)
- Training Slides: Inspecting Curb Ramps for Accessibility

How to Request Access to Survey123

2 Step Two: Complete the Form

Request Survey123 Curb Ramps Access

Use this form to request a user account for Survey123 for ArcGIS to access CDOT's Curb Ramp Inspection Survey.

Please be sure your EMAIL ADDRESS IS CORRECT as this will be used to identify your account and send communications.

In order to receive access to Survey123, you must be a CDOT employee or consultant who is actively working on a curb ramps project.

** Required*

First Name *

Your answer
