Public Notice for Professional Consultants

Any agreement resulting from this solicitation will be partially or wholly funded by the American Recovery and Reinvestment Act of 2009 Public Law 111-5 (ARRA) funding received from the Federal government. ARRA guidelines, reporting requirements and other required procedures are contained in the Scope of Work, Section 1.15 "Documentation".

The Colorado Department of Transportation (CDOT) intends to hire one (1) Professional Consultant for this Project. The selected Consultant will contract to provide Project Specific Construction Management, Construction Inspection and Materials Testing services to include those specific services set forth below.

DESCRIPTION: This project is located on I-25 & Alameda Ave. MP 207.5 to MP 208. Consultant services will consist of all work necessary to provide the following services:

Construction Inspection The project is estimated to begin in September / October 2009 and extend through December of 2011.

Project ES6 C010-101 (17170) is described as the reconstruction of I-25 & Alameda Ave. MP 207.5 to MP 208 for a total project length of 0.5 miles.

The proposed project includes replacement of the existing Alameda Bridge over I-25, installation of storm sewer, box culverts, inlets and outlet structures, construction of detention ponds, caissons, slurry walls, retaining walls, installation of traffic signals, reconstruction of the 4-lane divided roadway along the present horizontal alignment and vertical profile, and installation of Type 7 Concrete barrier median. The roadway construction will include removal and replacement of the existing asphalt surface with 11 inches of full depth Portland Cement Concrete Pavement.

This Project-Specific contract work will be done on an "as needed basis." The term, "as needed," means that neither CDOT nor the Consultant has an obligation under the contract unless and until a task order is issued. A contract resulting from the Invitation for Consultant Services is considered a "pricing agreement." CDOT anticipates that the compensation format on this contract will be "specific rate of pay," subject to further review by CDOT.

SPECIAL PROJECT REQUIREMENT: All work is to be performed under the direction and supervision, appropriate to the task, of a Colorado-Licensed Professional Engineer, a Colorado-Licensed Professional Land Surveyor for Surveying services, a Certified Industrial Hygienist, or, as appropriate, any combination of the foregoing.
