REVISION 1

**SOI DUE DATE EXTEND TO SEPTEMBER 25, 2014
Adding 1 Materials Tester to Consultant CM Services SOW and Advertisement**

Colorado Department of Transportation (CDOT) Region 1 intends to hire one (1) Professional Consultant for this Project. The selected Consultant will contract with CDOT to provide Project Specific Construction Management Inspection & Materials Testing Engineering Services for Wadsworth Highlands to 10th Project to include those specific services set forth below and in the Scope of Work (SOW)

Project Description Wadsworth, Highland to 10th

Project # STU 1211-084 (19868) is to add an additional lane onto Wadsworth Blvd. from Highland Street (approximately 8th Avenue) to 10th Avenue in the County of Jefferson and City of Lakewood. The proposed lanes are 12 feet wide. The ultimate goal for the project is to improve safety, reduce access deficiencies, and improve traffic flow on Wadsworth Blvd.

Construction Management Services

The requested personnel staffing required for the construction management services for the project include: one **(1) Assistant Project Engineer and three (3) Inspectors, 1 Materials Tester** to be utilized on the project. The consultant will also supply scheduling analysis and evaluation

The entire Advertisement along with the Notice to Consultants, SOW, Instructions to Proposers, Key Event Schedule etc. are available and must be obtained from the CDOT "Consultant Management" website at the following link:
