Services

Advertised 12/29/2016 & Re-Advertised under
Project Addendum #1 on 1/5/2017
RFx # 6000131

Dear Interested Consultants,

This is a Notice of Project Addendum #2 for R1 PS I-25 Monument to C-470 Survey/ROW, and Pavement Design Services. The method of project delivery for final design and construction has not yet been determined; however, if an innovative project delivery method is selected, then **any** Consultant or Sub-Consultant performing work on this R1 PS I-25 Monument to C-470 Survey/ROW and Pavement Design contract will be precluded from participating on any team proposing for an innovative contract. Please note this **will not** preclude the Consultant or Sub-Consultant from submitting a SOI if an Owner's Rep and/or Procurement consultant project is advertised. The deadline for responding to R1 PS I-25 Monument to C-470 Survey/ROW and Pavement Design will be extended one week to February 2, 2017 to accommodate any changes necessary to project teams or SOI documents. An itemized list of all changes can be found on Addendum #2 to the solicitation.

On behalf of Region 1 and Engineering Contracts, we thank you for your continued interest in this solicitation for consultant services.

Questions regarding the Scope of Work can be directed to Jody Allen (303) 365-7254. Questions regarding the method of project delivery can be directed to Roman Jauregui (303) 365-7255. Please feel free to contact me with questions and/or concerns or Maggie Molinas at (303) 757-9398 on solicitation.

Sincerely,

Pehle Colletta
