Please refer to the CDOT website for the most up-to-date UDBE/DBE and ESB Information.

It is recommended that the SOI/WP be prepared in a 10 or 12 point font only. If a smaller font is used, it may reflect negatively on your scores. A page for the submittal is a standard 8-1/2 x 11 inch sheet and, in CDOT's continued environmental efforts in "Going Green", consulting firms are encouraged to submit their hard copy SOI on 2 sided format, rather than one sided only. If there is any conflict between these Instructions and the guidelines in the Public Advertisement (Solicitation), the information in the Public Advertisement takes precedence.
